3 x Peer Support Workers (PSW)

£17,384 pa – 30hrs (£21,730 pro rata)

Shine Lincolnshire working in partnership with LPFT are looking to recruit 3 part-time (30hrs) Peer Support Workers.

This is an exciting opportunity for individuals who have their own lived experiences of poor mental health and wellbeing. The ideal candidates will be able to share the wisdom they have gained from their own personal journey to inspire hope and belief that recovery is possible in others.

The Peer Support Workers will provide formalised peer support and practical assistance to clients enabling them to regain control over their health, to lead meaningful lives and to develop their own unique recovery process.

We are recruiting 3 PSW, with one to be based within each of the following PCN areas: **Four Counties PCN, South Lincs & Rural PCN** and **South Lincoln Healthcare PCN**

Please note applicants will need to be able to travel independently across their PCN area.

For more information about PCNs and the area covered please visit [Home :: Lincolnshire Primary Care Network Alliance \(lpcna.nhs.uk\)](https://www.lpcna.nhs.uk)

The roles will be working within local Integrated Place Based Teams (IPBT).

(An Integrated Place Based Team is a team that sits at the heart of the community and is made up of multiple professionals all working together to support individuals to live the best quality of life possible. They work together to promote self-efficiency through a person-centred approach and also to bridge the gap between voluntary, health and social care.)

The post holder will be required to undertake mandatory training. Full support will be provided by both Shine Lincolnshire & LPFT.
